**MOTION TO UNSEAL INDICTMENT IN PART**

The United States of America, by its counsel, Rod J. Rosenstein, United States Attorney for the District of Maryland, and Christopher J. Romano and Seema Mittal, Assistant United States Attorneys for said District, respectfully requests an order from the Court unsealing the Indictment in part in this case, and in support states the following:

On September 24, 2013, this Court sealed the Indictment in the above-captioned matter because the defendants had not yet been arrested. As of September 30, 2013, nine of the defendants have been arrested. As a result, there is no further need to keep the Indictment sealed as it relates to those defendants. The remaining defendants, however, remain at large. Unsealing the Indictment as it relates to those defendants may alert them to the charges, making the defendants more likely to flee and potentially endangering the law enforcement personnel attempting to arrest them.

Thus, the Government hereby moves to unseal the attached, redacted version of the Indictment in this case, which omits any reference to the remaining at-large defendants. A proposed Order is attached for the Court's consideration.

Respectfully submitted,

Rod J. Rosenstein  
United States Attorney
